Clarification of News Report

This refers to your letter dated May 15, 2020 with respect to the news article entitled "URC trims capex by up to P3 billion to conserve cash" posted in BusinessWorld Online on May 15, 2020. The article reported in part that:

"UNIVERSAL Robina Corp. (URC) is taking off P2.5-P3 billion from its capital expenditure (capex) budget this year as part of efforts to survive the ongoing pandemic.

URC President and Chief Executive Officer Irwin C. Lee told stockholders in a meeting on Thursday the company usually allots capex of about P8-P10 billion every year, but this will have to be reduced in 2020.

'We've taken a very hard look at our capex plans for 2020, looked at what can be deferred, what can be saved, prioritizing the most critical ones. We've shaved somewhere between P2.5-P3 billion already from the 2020 plan,' he said.

...."

URC confirms the information stated above. Thank you.
